1. Can you find "Around Bermuda"?

What does every picture have in common?

How many pictures show scenes underwater and describe your favourite?

What colours stand out the most in the entire art piece? Looking at the circles, which colour is the odd one out?

2.

Are there any locations you recognise in Bermuda?

3. How many paintings do you see that have a postcard hidden in the artwork?

4.

What is the term for collecting postcards?

5. Which paintings exhibit a "tree" as the main subject?

- 3.

Did you know?

Postcards were mailed to send short messages to friends and family while travelling abroad.
