

What we know

•

What we would like to find out

•

| We get light from |  |
|-------------------|--|
|                   |  |
|                   |  |
|                   |  |
|                   |  |
|                   |  |
|                   |  |
|                   |  |
|                   |  |
|                   |  |

The sun

A lighthouse

Some torches

A lantern

A Firefly

A warning light

Electric lights

bright brighter brightest dark darker

darkest day light night sun
