- I will pop up throughout our learning journey as we discover new things together!
- I've already noticed the word **"hungry"** - Can anyone tell me what this means?
- I noticed that this word can be used in statements, questions, and exclamations.

Example:  
The villagers were so hungry.  
I am so hungry!

### Turn and Talk!

Can anyone use the word "hungry" in a QUESTION?

"Of course, old-style stone soup should be well seasoned with salt and pepper," said Hok.

"That is true," said Lok as he stirred the giant pot filled with water and stones. "But we have none. . . ."

"I have some salt and pepper!" said the scholar, his eyes big with curiosity. He disappeared and came back with salt and pepper and even a few other spices.
