With a Friend – Let's Sort into Groups!

Can you organize these items into different groups?

There is more than one right answer!

You might choose to group them by:

- what they look like (e.g. the carrot, herbs and celery all have green leaves)
- what they are used for (e.g. pot and bowl are used for cooking)
- how they are the same (e.g. bowl and pot are round)

Explain Your Thinking!

- "We grouped these words because..."
- "This word could go in two groups because..."

WALT & Success Criteria

We Are Learning To...

Sort words into groups based on their meaning and explain our thinking.

Success Criteria:

- I can sort words into meaningful groups
- I can explain why words belong together
- I can write a sentence about my word group

In a **GROUP**, think about:

- Which words could belong together?
- What would you name each group?
- What makes each group different?
- Could any of the words fit in more than one group?

Let's Sort!
