

GEOGRAPHY DETECTIVE CHALLENGE

Bermuda has many resources, but not all resources are available locally. Why does Bermuda depend on other places for some of the things people need?

1 Which natural resources are available in Bermuda?

2 Which resources are limited or scarce?

3 What goods does Bermuda need to import? Why?

4 How does Bermuda's location affect its supply of goods?

5 Could Bermuda ever be completely self-sufficient? Why or why not?
