

PACK YOUR ISLAND BAG!

You are going to live on a deserted island for 30 days!
The island has some natural resources, but many resources are limited. You can only take 5 things with you.

PACKING OPTIONS

water bottle	food	map	first aid kit	flashlight	tent
sleeping bag	blanket	hat	sunglasses	life jacket	raincoat
hiking boots	knife	rope	binoculars	camera	book
sunscreen	insect repellent	notebook	hammock	shovel	sports equipment

We chose _____ because _____.	We would need _____ if _____.	Since it's a deserted island, we would depend on _____ for _____.	Another reason we chose _____ is because _____.
A resource that might be limited is _____ because _____.	We cannot _____ on the island, so we need to _____.	If one of our resources became scarce, we could _____.	Our choices will help us be _____ because _____.

BONUS CHALLENGE! ★

Rank your 5 packing choices from most to least important.

1. _____

2. _____

3. _____

4. _____

5. _____
